FYO FAQ

What is FYO?

FYO is an incredible presbytery-wide youth experience that helps youth connect and reconnect with other youth in our presbytery. FYO is a great opportunity for youth and adults alike to build relationships and grow in faith.

What is the best way to handle registration?

All group registrations and fees must be in the presbytery office by September 25. Please set an earlier deadline for your church so that you can ensure all information will arrive at the presbytery in time. Please collect individual payments from your participants and send ONE check from your church to register your group.

Registrations received after September 25 are not guaranteed t-shirts!!

How many adults do I need to bring?

In order to comply with Flint River Presbytery's Child Abuse Prevention Policy, we must have a ratio of one adult for every six students and a proportional number of male and female chaperones. Knowing that this can be a challenge for some of our smaller churches, we will work as a community to ensure all youth are covered. Please communicate with the presbytery if chaperone numbers are a problem for you.

All registered adults must have Child Abuse Prevention paperwork on file with the presbytery no later than the registration deadline of Sept. 25. See enclosed forms for more information.
