Position: Director of Youth Ministries (part-time)

First Presbyterian Church of Moultrie, GA is seeking a part-time Director of Youth Ministries. The Youth Director will be responsible for leading the church's ministries for, and with, young people of middle school and high school ages. This will be a person whose Christian faith is mature and whose heart is childlike. This person is caring, imaginative, and energetic; comfortable sharing his/her faith with others; and truly enjoys being with people of these ages.

The Youth Director will work with adult advisors, the DCE and other church staff, and the youth themselves to develop a program that provides a broad range of ministry experiences to enrich these young people and their growth as Christians. Among the experiences will be regular weekly activities such as Sunday evening youth fellowship and WATCH (Wednesdays At The Church). Special events like day trips, overnight retreats, conferences and mission trips will be a significant part of this ministry, too. The Youth Director will be expected to build meaningful relationships with our young people, explore ways to help broaden and deepen their relationships throughout the congregation, and promote opportunities in which these young people can participate more fully in the congregation's life and leadership.
