Please complete this progress report by answering the following questions and submitting it electronically to Pam Moye at [pambmoye@charter.net](mailto:pambmoye@charter.net) no later than **October 15th of every year.**

We require that **all** churches that received funding in the current year submit this report. This is especially important if you are submitting a grant application for next year, as it will be taken into account when CME reviews grant applications, but failure to do so could also impact any grant applications in future years.
